SUMMARY

Hello, I'm Darshan, a passionate and results-driven software professional with a strong foundation in computer science. My enthusiasm for exploring emerging technologies pushes me to stay up-to-date with the latest industry trends and best practices.

WORK EXPERIENCE

WEB DEVELOPMENT INTERN

Twilearn Edutech

March 2023 - May 2023

- Training on HTML, CSS, JS, jQuery, Firebase, Git commands
- Built a final website using the learnt technologies

ACHIEVEMENTS

Solved 180+ coding problems across various coding platforms (GFG, Leetcode)

Scored 99.35 percentile in MHTCET

PROJECTS

Image Classifier

This is a image classifier which identifies whether the image is of a happy person or a sad person using tensorflow library

Sentiment Analysis

It reads the reviews from a amazon product and labels the sentence as positive or negative and also shows the score, to show the degree of positiveness.
