Solapur, MH, India | [rushikeshkhiste2002@gmail.com](mailto:rushikeshkhiste2002@gmail.com) |  
Ph. [9359534938](tel:9359534938)

## EDUCATION

---

**PUNE INSTITUTE OF COMPUTER TECHNOLOGY – Pune**

2020 - 2024

Bachelor of Engineering, Computer Engineering  
Cumulative GPA: **9.5/10**

**KARMVEER BHAURAO PATIL MAHAVIDYALAYA- Pandharpur.**

2018 - 2020

Higher Secondary  
(12th) Percentage:  
**93.23%**

## PROJECTS

---

### 1. Algorithm Visualizer

---

- Visualization of different algorithms like sorting, searching etc. The basic code is written in JavaScript and is visualized using CSS. The website also contains some famous problems like n-queens and path finder problem.
- Technology used: **HTML, CSS, JavaScript.**

### 2. Hostel-Mess Finder

---

- It is a user-friendly and innovative web platform designed to simplify the lives of hostel residents by providing an efficient and hassle-free way to locate and explore hostel mess options.
- Key features of this Platform: -User Reviews and Ratings, Real-Time Updates, Mobile-Friendly.
- Technology used: **HTML, CSS, JavaScript, NodeJS, EJS, MySQL.**

### 3. Student Registration

---

- Developed a robust Student Registration System using Node.js, Express, Handlebars (HBS), and MongoDB.
- Implemented essential functionalities, including user login and registration with authentication for secure access. Collecting user response in database.
- Technology used: **HTML, CSS, Bootstrap, Nodejs, handlebars, MongoDB.**

## ACHIEVEMENTS

---

- **Solved around 500+ problems across different coding platforms.**
- **Participated in more than 50 contests – Ranked 216 globally in code chef starters 28**

## SKILLS

---

- **Programming** - Problem Solving, Data Structures, Algorithms
- **Languages** - C++, JavaScript, SQL
- **Application Development** - HTML, CSS, NodeJS, ExpressJS, MongoDB
- **CS Fundamentals** - Object-Oriented Programming (C++), Database Management System, OS, Computer Networks

## NON-TECH (HOBBIES)

---

- **Travelling and Trekking**
- **Playing sports like cricket, kabaddi etc.**
