•Data Science

ACTIVITIES

PICT CSI STUDENT CHAPTER
COLLEGE CLUB (CO-CURRICULAR)
Volunteering for coding events - Setting problems for contests.

PICT PICTOREAL
COLLEGE CLUB (CO-CURRICULAR)
Volunteering for non-technical events.

EXPERIENCE

INTERVIEW MOCHA | PROBLEM Setter
September 2022 – Present | Pune, India
- Created new problems based on data structure and algorithms.
- Problems are used in online coding tests.

Business Development Intern | KODE IT SOLUTIONS
September 2021 - October 2021 | Pune, India
- Worked with 12 interns and completed my task within the given time.
- Brought highest number of registrations for a course.

PROJECTS

DSA Based Calculator | LINK
- A basic calculator has a limit to the length of numbers that it can process, but it can calculate very large numbers as well.
- I have used data structures like **Linked list** and **Stack** to do so. Initially converted the expression to postfix and then evaluated.

SORTING VISUALIZER | LINK
- Designed and developed a **Web Application** to visualize working of **Various Sorting Algorithms**.
- The application allows the user to select - **Sorting Algorithm, Speed Of The Visualization**, and **Input Array.**
- Tech Stack - **HTML, CSS, JavaScript**

ACHIEVEMENTS

- Solved more than 800+ Problems on various Coding Platforms.
- Solved 50 problems on consecutive days and earned a T-Shirt from Geeks for Geeks.
- Won 3 Consecutive Cricket Tournaments as Best Bowler (Highest Wicket-Taker).

HOBBIES

- Singing
- Travelling
