ARNAV D. WAGHULADE

SUMMARY

Pursuing undergraduate program in Computer engineering at Pune Institute of Computer technology. Having skill in C++ and Python programming.

10th CBSE: 95.6%   12th HSC: 90.46%   CGPA : 9.43

PROJECTS

Virtual Calculator
- Created a virtual calculator based on the computer vision library that simulates functions and operations of a physical calculator
- Tech: OpenCV CvZone Mediapipe (Python Libraries)

Movie Recommender System
- Created a movie recommendation system based on content filtering
- Tech: Python (Streamlit) API's Heroku

Workout Club(gym) Exercise Website
- Created a website for my gym in order to guide people in online mode
- Tech: React JS API's

Engineering Chemistry Assist App
- Created an application for first year engineering students for education regarding chemistry subject
- Tech: Flutter Link: https://play.google.com/store/apps/details?id=com.pbl2b12021.engg_Chemistry_assist

TRAINING & CERTIFICATIONS

Trainings Imparted:

Basic **Python** and **C++** training imparted to **more than 300** aspirants (online and offline mode)

Certifications:

Python (MTA): 13 August 2021 (**Institute:** Microsoft)
Certification Link: https://www.credly.com/badges/bd5c4464-c637-4483-9917-2bd8f543fa1f?source=linked_in_profile

Java Programming: 28 June 2022 (**Institute**: Microsoft)
Certification Link: https://www.credly.com/badges/4d088de6-c719-4928-936b-d8c1133b851c?source=linked_in_profile

Problem Solving: 23 September 2022 (**Institute:** Hacker Rank)
Certification Link: https://www.hackerrank.com/certificates/14315b927a45

SKILLS

- C++
- Python
- Java
- Basics of AI and ML
- Data Science using Python
- Data Structures and Algorithms
- React JS

STRENTHGS

- Quick learner
- Good communication skills
- Good listener
- Team player

OTHER INFO

Date of Birth: 05-Aug-2002
Passport Number: U9131273
Nationality: Indian
Hobbies: Playing football, swimming
Languages: English, Hindi, Marathi
